GENERAL
MANAGER

Welcome back, Citrus National Golf Course – we missed you!

The month-long closure is officially behind us, and WOW – what an incredible transformation. And the best part? We still have four months of prime growing season ahead. “It’s Happening” will soon become “It Happened.” Take a look at the photos that follow – they speak for themselves.

A special shoutout to our Culinary Team for an unforgettable Mother's Day.

The food presentation and quality were everything we envisioned – and more. We're beyond proud of the performance by our new Executive Chef, Maria Hilton, who pulled it all off on her first day at the Club. Simply outstanding. (And just a heads up... Father's Day is right around the corner – how are you planning to celebrate the dads in your life?)

Behind the scenes, we're planning non-stop for the upcoming season.

With both courses steadily improving, golf is front and center once again. Packed tee sheets mean more Starters, more Rangers, busier lunch service, and lively post-round cocktails. We're also excited about the return of signature events like the two Member-Members – thank you, Ben Lee and Doug Martin, for keeping those traditions alive.

We're hoping to bring back more beloved events such as the Magnolia Ladies Invitational and Hitting for Hospice. Stay tuned for the Men's Club Championship – we're aiming for early October. And a big congratulations to our Ladies Club Champions: Karen Taylor (Gross) and Chris Venable (Net)!

We're also evaluating ways to elevate all of our annual events – from marketing and themes to overall execution. Our goal is a calendar that reflects the energy and excellence of a true Country Club experience. Got ideas for the 2025-26 season? We'd love to hear them!

Lastly, we extend our heartfelt condolences to the families of the cherished Members we lost last month.

Their presence enriched our community, and they will be deeply missed.

Thank you, as always, to our amazing Members. Your encouragement, participation, and support are what make this Club revival possible. We're proud of the progress – and we're just getting started.

Here's to a great June.

It's good to be a Member.

At the Turn...

Welcome back to Citrus National!

Golf has officially returned, and we couldn't be more thrilled to have everyone back on the course. Our enthusiastic summer team – Marcia, Tom, Rob, Rachel, and John – is ready and eager to assist you throughout the season.

Junior Golf Camps are teeing off this month!

Our summer camps are designed to grow the game by teaching kids the fundamentals of golf in a fun, inclusive, and safe environment. It's more than just learning how to swing a club – it's about making friends, learning etiquette, and developing life skills. Our goal is to hear future golfers proudly say, "I learned the game at Citrus National Golf Club."

In addition to our three summer camp sessions, we're excited to launch our first High School Competition Camp in August – a week of daily competition designed to prepare young athletes for the upcoming high school golf season.

Practice Makes Perfect... but please note:

The Citrus National driving range will have **afternoon closures** as we begin renovations to improve the facility. We appreciate your patience and invite you to use the Sugarmill Woods range for your afternoon practice sessions during this time.

Feeling lucky? Try your swing at our Golf Majors Pool!

June's pool celebrates the U.S. Open at Oakmont. Pick six players, cheer on your team, and win cash prizes. Entry forms are available in both golf shops – it's a fun way to get in on the action!

Mark your calendar - July 4th Firecracker Scramble!

Celebrate Independence Day with the return of one of our most fun events – the **Big Cup Scramble** at Citrus National! Oversized holes, team format, and guaranteed laughs await. Mathew and his crew will install giant cups for record-setting scores, followed by a classic cookout lunch – Chef Maria style. This is a must-play Member event!

A special thank you to the Sugarmill Woods golf staff

Your support in hosting our Citrus players last month didn't go unnoticed. Thank you for welcoming the HOGS, LGA, MGA, Dennis Borrás group, Ervasti ladies, and more during our closure. We look forward to returning the favor during the next Sugarmill aerification – tentatively scheduled for late July or early August.

Over at Sugarmill Woods...

Have you met **Susan Reynolds** in the golf shop? She joins Chris, Bill, and Eric on the summer team, while Kevin, George, Pete, and new team member Nick handle cart operations. Just a reminder: the driving range closes at 3 PM every Sunday for weekly maintenance.

Here's to a summer full of golf, growth, and great times at both clubs!

Golf Tip of the Month

Let's keep it simple: **check your hip movement.**

Ask a friend to watch your backswing and note if your right hip sways to the right. If it does, you're setting yourself up for inconsistency – and possibly frustration. This common flaw is the root cause of many swing issues. Instead, take a cue from Rory McIlroy. Notice how his right hip shifts back and slightly left during his takeaway – a much more powerful and stable move.

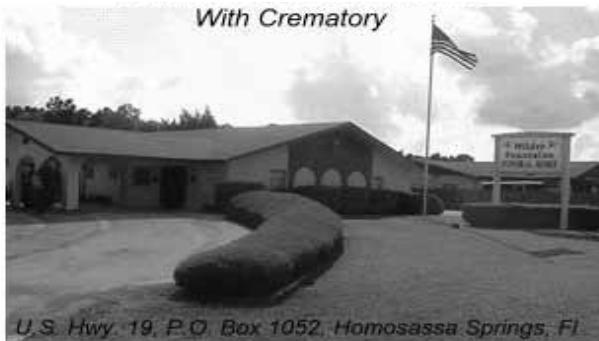

Not sure how to correct it? Your golf professionals, **John Ward** and **Eric Radcliffe**, have a variety of easy-to-follow drills to help break this habit. Stop by either golf shop – let's fix it before it wrecks your game.

And with summer heat in full swing, here's an equally important reminder: **hydrate!**

You can't play your best golf – or stay safe – if you're dehydrated. Drink water before, during, and after your round. Pair it with a light, healthy breakfast to keep your energy up and your mind sharp.

Play smart. Stay safe. Swing better.

"Let the Spirit of the Game Guide You"

Course conditions are improving every day – let's all do our part to keep the momentum going.

We've noticed continued issues with golf carts being driven too close to tees and greens. As a reminder, carts should remain at least **20 feet (about 7 steps)** away from any putting surface. That's a basic rule of course etiquette and critical to maintaining turf quality in these high-traffic areas.

Please follow the **90-Degree Rule**:

Stay on the cart path until you're even with your ball, then turn at a right angle to reach it. When near tees and greens, all **four tires must remain on the cart path**. This is especially important as turf continues to recover and fill in.

Golfers with legitimate handicap flags may access greens from **behind**, but **never in front or along the sides**, as these areas are meant to stay playable and healthy.

To help ensure compliance – particularly with afternoon non-member play – our staff will be conducting additional Ranger patrols.

Thank you for honoring the spirit of the game and helping protect the course we all enjoy.

GREEN SIDE UP

Mike Blisch

SUGARMILL WOODS GOLF
COURSE SUPERINTENDENT

Over at Sugarmill Woods, Mike and his team have just completed the spring fertilizer application, aerified the fairways, and taken another pass at weed control. And have you seen those back-nine **Zoysia greens** lately? They're finally perking up – and looking better every week.

Following the expert advice of the University of Florida's Agronomic Services, we've adjusted our approach: **less fertilizer, more water**, and an increase in **verticutting and topdressing**. This combination is already paying off. With consistent care and summer growth ahead, those greens are set to thrive.

As always, we ask for your help in keeping the course in great shape. Please **place rakes inside bunkers** after use, follow the **90-degree rule**, and keep carts in the rough or on paths whenever possible. Your cooperation is appreciated!

– Mike Blisch

Mathew O'Quinn

CITRUS NATIONAL GOLF
COURSE SUPERINTENDENT

Let the debate begin! Mathew, Andy, and John recently found themselves in a friendly argument over which fairway has shown the most improvement. Mathew voted for #3, Andy backed #10, and John was all-in on #5. But after some healthy discussion, the consensus might just be a tie between #2 and #12 – and that's a great problem to have! **The Great Golf Course Resurrection of 2025** is well underway, and the progress is undeniable. Even the tee boxes are filling in beautifully. With a couple more greens scheduled for sod, we'll be "off to the races."

To help protect all this progress, we've implemented a new **Flag Program** for golf carts. Red flags have been placed along each cart path to mark designated fairway entry points. Please remain on the path until you reach the red flag, then proceed at a 90-degree angle. These flags will move as conditions change – generally 50 to 100 yards past the forward tees. We welcome your feedback as we fine-tune this program.

In addition to ongoing summer maintenance, we're staying busy with tree trimming, weed control, course clean-up, and fresh landscaping around the clubhouse. The future is looking bright at Citrus National!

OAK VILLAGE SPORTS COMPLEX NEWS

LOTS of Exciting Happening at Oak Village Sports Complex...

Improvement Projects

A special thanks to Judy Jeanette and Chris Heck for their contribution to the har-tru supply for courts 1 and 2.

Thanks to Gregg Wilson for donating two ladders and weed killer for the facility.

Thanks to Judy, Cory, Cas, Tony, Antoinette, and Steve P. for fixing the lines on courts 3 and 4.

Thanks to Cory for tearing down all the vines that were growing on the fence by the practice walls (aka racquetball courts).

The tennis courts are really getting into good shape thanks in part to all the work done by our volunteers!

Tournament PREP CAMP (All ages of Juniors and includes Active Adults) This class is for those more advanced players that compete on teams, leagues and/or tournaments. The camp will run the week of

June 16, 17, 18, 19 and 20 and we have June 21 reserved for rain make up hours. Camp will run from 5 to 9PM each night. The camp is 20 hours of concentrated practice with instruction and coaching. Pre-registration is required. The fee is \$400 for the pre-paid week, \$135 per day. Bonus classes during class week included are Super Drill meeting (Monday 9 to 11AM) and Doubles Clinic on Friday mornings 8:30 to 10:30AM.

Weekly Tennis Classes and Drills

Super Drill for All Ages

This active and intense workout meets twice a week every week throughout the year. Everyone warms up with the usual forehand, backhand....and then things really start moving with game based drills. Players should be able to keep the ball in play. This drill is recommended for USTA 3.0+ rated players and above. Age is not a factor. We have AARP passes that will be given to our older players.

The drill meets Monday mornings from 9 to 11AM and Wednesday evenings from 6 to 8PM. The fee is \$20 per visit. The date in the summer that we will NOT meet is: July 2.

Doubles Strategy Clinic....Percentage Tennis

This clinic works on playing doubles with your partner as a team. You will be drawing tips from the likes of the Bryan brothers, Martina Navratilova, Gigi Fernandez, the Woody's and McEnroe, to mention a few. You will be learning the difference between two singles players on the court together versus playing doubles with communication and complimenting movement. If you don't like playing the net, you may choose to stay home. This class will teach you to be aggressive and attack the net. You will learn to serve and move in, return and move in. You will learn how to play different game styles and win. We practice with a purpose. The fee for this class is \$20 per visit.

Doubles Clinic meet on Friday mornings 8:30 to 10:30AM. The dates in the summer that we will NOT meet are: July 4, 11.

SMW Oak Village Pickleball News

Improvement Projects

Thanks to Steve and Erin Klabough (alias Big Toe and Target) for installing the partial shade corners on the pickleball courts. It will be a welcome relief for those lucky players on the south end of courts 1 and 2. They also hung new baskets up around the courts for those extra pickleballs.

Also thank you to Kathy Davis (alias Judy Jr) for securing the pickleball windscreens that broke loose one very windy day.

The expenses for the shades, baskets, bungees and ty-raps were paid for from the pickleball tournament fund.

Future Projects for Pickleball

Steve will be building and helping to install barriers on the sides of the tennis net to stop pickleballs from rolling into the other courts. These will be installed on both the tan and blue courts.

Judy is in the process of pricing windscreens for the blue courts.

Pickleball Stroke of the Week Clinic

This is a weekly pickleball clinic that meets every Friday from 10:30 to 11:30AM at the Oak Village Sports Complex on Pickleball courts #1 and #2. Beginners to intermediate level players attend to work on skills and tactics that help improve their playing abilities. If you are interested in improving your forehand, backhand, dink, 3rd shot drop, volley, overhead, spins, control, power, strategies, team work and movement, rules, scoring, equipment....we cover it all. Every lesson finishes with supervised game play. The fee to attend each week is \$15.00 per player. Reservations are not necessary. For more information you may contact Judy at 352-232-0321. Judy is a double certified, RSPA and ITPA pickleball professional.

Automatically Reserved Pickleball Courts

Courts #1 - #6 are automatically reserved for the following groups at their designated times. Courts #7 and #8 are always available for members' private play. If courts #7 - #8 are not reserved, then morning group overflow play may use the open courts.

Pickleball FAMILY FUN Mornings

This is a low key "play for fun group", welcomes newbies and non-bangers to join their FAMILY. The FAMILY is made up of members that feel like...well..."FAMILY". The Family Fun group meets every Monday, Wednesday and Friday early mornings from 7:00- 9:00AM. Contact Darlene Jaratz at 614-589-5878 if you would like more information about FAMILY FUN Pickleball.

Pickleball Social Mornings

A social competitive group meets every Tuesday, Thursday and Saturday starting at 8:30AM. Usually the group play ends on Tuesday and Thursdays around 11:00AM. Some of them will play until noon on Saturdays.

Pickleball Day Dinkers Late Mornings

The Day Dinkers are a fun group for people that don't want to set their alarm clock to play pickleball. They try to work on specific skills during games and keep you from feeling overwhelmed. The group welcomes beginners.

The Day Dinkers meet on Fridays at 11:30AM, immediately after Judy's lesson and again on Wednesday and Sunday at 10:00AM.

Call or text Steve Klabough at 352-679-5798 for more information.

PRESIDENT, CITRUS
NATIONAL MEN'S
GOLF ASSOCIATION

Monthly Overview of CNMGA

As we slide into summer play, our groups are dwindling some as the Snowbirds have left. Hope all have a good summer!

We had a great complimentary lunch with course update from Course Superintendent Mathew O'Quinn. The event saw a turnout of around 30 people, all of whom appreciated the delightful meal and the opportunity to gather and discuss various topics.

Thank you Scott and Chef Remco and Staff for a great lunch. The Cuban sandwiches were fantastic!!!

Starting from April 30th, the CNMGA will have T times starting on back nine at 8:30AM at Sugarmill for a duration of 3 weeks. We will return to Citrus the last week in May for a member-only preview of improved conditions. This change in schedule was met with enthusiasm as members enjoyed the opportunity to play at Sugarmill.

Superintendent Updates

Superintendent Mathew O'Quinn provided a comprehensive overlook of the current and future conditions for Citrus National. His updates were informative and provided insights into the hard work being put into maintaining and improving the course. Matt expressed his belief that by late summer, significant results of their efforts would be visible, bringing the course back to prime condition. Moreover, he shared that the watering system is almost 100%, which is a crucial aspect of maintaining the course's quality.

Looking Ahead

The CNMGA members can look forward to a season of continued improvements and enjoyable events. The commitment of the team to enhance the course conditions and provide memorable experiences for the members is evident.
